A GATHERING OF DIVERSE MINDS

Educators and parents from Portugal, Turkey, Spain, Bulgaria, Bosnia and Herzegovina, and our host country, Slovenia, came together to share knowledge and experiences. This multicultural assembly reflected the project's commitment to diversity and inclusion.

The insights and strategies developed during this event will undoubtedly enhance our efforts in advocating for equal parenting. We extend our heartfelt gratitude to Life4U, our host organization in Slovenia, and all the project partners for making this event a resounding success
