

Join us in our mission to promote a balanced involvement of parents in child upbringing, emphasizing shared responsibility and equality.

WARM HOUSE

We strive to establish a nurturing and inclusive environment that embraces the concept of a warm house. By promoting equal parenting practices, we can cultivate a loving and supportive atmosphere where children thrive and families flourish.

EQUAL PARENTING

PALMA TPM NEWSLETTER

Our recent transnational meeting in Palma de Mallorca, Spain was a resounding success, marking significant milestones in our collaborative journey.

Embark on this transformative journey with us as we work towards building a warm house for every child, ensuring their emotional well-being and fostering harmonious relationships within families.
